9 It is stated that the Central Record Establishments at Mysore & Bangalore have each one head record keeper, two assistants and two daftarbands. As the work of the Establishment at Shimoga is admitted to be "Comparatively lighter" than the work of either of the Bangalore Mysore Establishments, it may perhaps do to sanction an additional daftarband on Rs 10 in stead of an assistant record keeper on Rs 15 for the Shimoga Estabt in view of the increase of work reported to by the Chief Court. As the work is admittedly lighter it may be unnecessary to give another hand on Rs 15 if one on Rs 10 will do—

COMPTROLLER'S OFFICE
CIVIL BRANCH,
23. JUL. 1909
BANGALORE.
MYSORE CIVIL

Sir,

I am directed to forward a copy of a letter No. 2692/546 dated 12/28th ultimo, received from the District Judge of Shimoga, in regard to the work devolving on the permanent establishment of the Central Records at Shimoga, and to state that, in the opinion of this Court also, the work is so heavy that the said establishment which now consists of two record keepers and one Sheristadar only cannot cope with it

The establishments of the Bangalore and Mysore Central Records consist of one Head Record Keeper,

two

two assistant recordkeepers and two daftarbands But the work to be done at the Shuma's Records is comparatively lighter than the work in either of those two places, and hence the Judges are of opinion that one additional hand on Rs. 15 may, for the present, be entertained.

I am therefor to request that Government may be pleased to sanction the entertainment of one additional hand (to be styled Assistant Recordkeeper) on a salary of Rs. 15 per month, and that provision therefor may be made in the final budget.

A proportion Statement is enclosed.

I have the honor to be,

Sir,

Your most obedient Servant

To V. A. Rajasatna Mudaliar Esqr.
Registrar Chief Court of Mysore.—

No. 2692/546. Dated 12/28th April 1909.

Sir

In continuation of this office letter No. 2418/505 dated 31st May 1909, I have the honor to forward herewith two statements marked A & B, one showing the amount of work devolved on the permanent Central Record Establishment of this Court, and the other showing the number of hands likely to be required for the efficient discharge of the work therein

I beg to state that the existing permanent central Record Establishment consists of only two record keepers and one daftarband. This establishment is quite inadequate to cope with the work which is greatly on the increase

Numerous requisitions are daily received both from the Courts at Headquarters and at outstations, the overall daily number being 15. The

records

records received from the Courts in the Division have to be daily examined, registered, arranged, labelled and bundled up, the daily average being about 70.

The supervision of the Copying establishment also devolves on the Central record establishment besides frequently supplying records and other papers to the several Copyists for preparing Copies, and then taking them back for being filed in proper places.

The existing establishment being unable to adequately Cope with the work, the additional establishment proposed in the accompanying Statement B3 is necessary.

In this connection it may be stated that under the old rules, the records of all Cases disposed of in the mofussil Courts used to be sent to the Central Records after the lapse of one year from the dates of their disposal, and after removing all the B3 file papers liable to destruction. But under the recent rules these records are being sent to the Central Record every six months

and

and without removing the papers liable to destruction, the period prescribed therefor not having arrived.

Thus considerable additional sorting work devolves on the Central Record Establishment.

Under these circumstances I beg to solicit the favor of your obtaining the sanction of Government for the additional establishment now applied for as per proposition & statement herewith submitted

I have &c.
